Thank you letters

Here is a letter from Juliette

Can you translate her letter into French with the help of your friends?

Dear team,

I would like to thank you all for our stay.

The food was excellent, especially the scones, the English breakfast and the fish and chips. I really enjoyed the activities, such as cricket, Highland games and orienteering because the group leaders were great.

I learnt quite a lot of new English words, like, "lively" and "buzzing".
I would like to go back to the English Manor because it was really cool!

Hope to see you soon,

From Juliette
